Previously, in the parties' Joint Case Management Statement, counsel for Chevron 1 erroneously stated, on preliminary research, that Chevron U.S.A. Inc. was an interested party under 2 3 the mistaken belief that Defendant Chevron Environmental Management Company was a "division" of Chevron U.S.A. Inc. In fact, Defendant Chevron Environmental Management 4 5 Company is not a division of Chevron U.S.A. Inc., but rather, is a separate and independent 6 corporation. Accordingly, neither Chevron U.S.A. Inc. nor any other non-party entity has any 7 interest in this matter. The only interested entities are the named Defendants, Chevron Corporation 8 and Chevron and Chevron Environmental Management Company. 9 Respectfully, 10 FILICE BROWN EASSA & McLEOD LLP DATED: April 15, 2008 11 12 By: ROBERT D.
